“ *Loren and I were stationed together at Grand Forks AFB, ND and McGuire AFB, NJ. Our families were members of the same Baptist church in both places; and helped to start the New Testament Baptist Church, where we attended in New Jersey. Loren was a brother in Faith and a brother in Arms. And we shared the bond that can only come from serving together. Becky and I, and our extended family, send our heart-felt condolences. We are praying for and grieving with the family. Loren loved the Lord. And we take comfort knowing that he has exchanged the home where he received his earthly care, for the care that he has found in his home in Heaven. God bless you my brother. Until we meet again.*

“ *Sloan, I am so sad to hear about Loren but we know he is in Heaven healed from all this old world's afflictions! Loren was such a good guy! Having classes with him in high school, he always seem to have a smile on his face! Heaven just got a little sweeter!*

“ My sincere condolences to the family for your loss of this very special man. Loren will long be remembered by anyone and everyone who had the honor of meeting him. I was saddened to hear of his passing. I often think of Loren every time I sit down to eat a meal...I can almost hear him telling me, "You better thank Him for what you got, whether you're bald or not!" I never had the honor of being Loren's nurse but I would always talk to him when I visited other residents at Commonwealth. He would always ask me, "What's your beautiful name?" and I would tell him, "Paula", and he would laugh and call me "Paula Deen". The CNA I work with would jokingly call him "Loren Green" and he would call her "Betsy Ross". I have no doubts this man has a special place in heaven with his Lord Jesus Christ. You have touched many hearts Loren. Rest in peace!

“ My family and I feel instantly in love with Loren when my grandmother Helen Reynolds began living at Commonwealth Memory care in 2010. Loren always greeted us asking if we knew the Lord Jesus Christ. My kids loved his smile and making him laugh. We continued to visit with Loren and his sisters even after my grandmother went to heaven in 2018 because Loren had become our family too. We are happy to know that he is heaven with Jesus, but know that so many will miss his smile and laughter. Thank you for sharing him and your family with us.
