“ *Ronnie: My first job was when your mother hired me in her salon in the mid 60's. I worked with her for about 7 years before I married and moved to Jacksonville, FL. I now live in GA and called Louella last fall and we had lots of fun memories to talk about. I thought so much of your mother not only as my boss but as a true friend. She also taught me to china paint which I still have the pieces. My thoughts are with you and the family. Barbara*

“ *Edna and I knew Louella through the College Avenue Church and we both thought her a wonderful person and her death saddens us deeply but realize he long life and that death is part of our living cycle especially since we ourselves are 87 years of age*

“ *I was saddened to read about the passing of Mrs. Young. She was so kindhearted to my mother, Rinda Tiller. She would always greet my mother when she arrived for her appointment by saying "Hello Tiller." It was important to my mother that she was acknowledged when she showed up and when she left.. Mrs. Young will truly be missed.*

“ My thoughts and prayers go out to Louella's family. Ronnie I still remember you as being my hero while I was living downstairs at Granddaddy Hop's. So long ago. I hadn't seen your Mom in years but thought about her often. I lost Daddy in 1992 and Mama in 1999. I miss them terribly and don't get back to Bluefield much. Wes is still in Bluefield and Mike is in Beckley. I am in Richmond, Va. Would love to hear from you. My cousin Susie (Lester) and I were chatting on line about your Mom not too long ago. She was always such a sweet lady. How fortunate for you that you had her with you for so long. Take care and God bless! Gloria
