“ *the family of Mabel Caudill.*

Our thoughts and Prayers are with you in the passing of your loved one. It has been many years since we were children playing at your grand parents (the Steeles) and your aunt and uncle, (the Putnams and Peggy) and other relatives as we all grew up in the same area, but it seems like yesterday sometimes.

We are very sorry that your Mother had gone ahead but we are sure her loved ones there are waiting for her. May God Bless and comfort you!

“ Its hard to put just one special moment cause there was so many special ones. Growing up I spent every weekend I could with you and pawpaw you all would come across the mountain no matter what the weather would be and get me and sometimes dad would come take me home but I got to stay anyway. Then in summer when you all moved to North Carolina , I would come and spend either the whole summer there or split it between you all and grandma Horne. I remember once when you guys came to get and you was putting chains on tires on the mountain and pawpaw yelled from car Mable you okay and of course you finally answer after couple times and then we was on our way beside me get sick . Also remember you tell the story about me carrying the doll bigger then me and "Lord John these youngs are killing me" you two would laugh about that when it was brought up. Grandma I am going to miss you so much and I love you. Rest in peace grandma you deserve your rest now you have worked hard and it is time for you and pawpaw to be together again. Love you both.
