“ *Theresa, Steve, and Karen I am so sorry to learn of your mom's passing. She was such a wonderful person. I thought alot of her. I will never forget when I first met her. I was a teen back then but I still remember her getting onto Steve and Michael when she caught them doing what they shouldn't have. It was hard not to laugh. She was a little woman but she wasn't one to mess with. She was always so nice to me even though she didn't know me well but that was her way. A wonderful person and so loved.*

My thoughts and prayers are with you and your families as you get through this difficult time.

My love and prayers
