“ *For many years I lived with my Aunt and Uncle Mary and Percy Gillie who were so lucky to have had your family as close neighbors. Your Mother and Father are two people I will always remember. How beautiful your Mother was and how she cared for her family. I didn't know you children but the Gillies did and thought so much of all of you and spoke of you often. My sympathies to to all of you and know your Mom will be missed by her family and everyone that knew her. Kay Hendrickson Vienna, Va*
