“ *I would like to send my condolence to the Owens family. In reading the obituary it is obvious that Margaret lived a long life, the Bible speaks of individuals like Margaret as having "special mightiness" (Psalms. 90:10) In times like this I reflect on the God's promise in John 5;28,29 of a resurrection of our dead loved ones. I hope this note brings you comfort at this time.*

“ We had the privilege of being Margart's neighbors for the past eight years. She was a beautiful person. Over the years I enjoyed many cups of tea and wonderful conversations with Margaret. We though of her like family. She enjoyed my children's visits and even let them play under her maple tree when the leaves fell , we didn't have any trees like hers in our yard and they loved to go to Margaret;s house. We moved this October, shortly after Margaret was moved to the hospital. I was able to visit her once there. I miss her. I'll cherish our friendship forever, she was a kind and gentle soul who had so much love for her family and those around her. I'm thankful she is no longer in pain and in the strong arms of her saviour Jesus Christ.
With love, Bronwyn Owen
