“ Dear Shirley, We heard the news about Margarets passing and wanted you to know that you and your family are in our prayers. Margaret was always a bright soul whenever I saw her and brought that light to all that knew her. Lean hard upon the Lord as He walks with you through this time of sorrow. Just remember that Margaret is not in your past but in your future. She has gone ahead and will met you again on that day where we will never be separated by death again. “ I am deeply saddened by the passing of Margaret. She was a precious person. May God be your refuge and strength during this trying time. She may be gone in body, but her spirit will live on in your hearts. I will always remember her beautiful smile and bubbling personality. Claytor Lake is the place I remember most about her. Summertime was special because of her. I always enjoyed spending time with her and I regret letting time pass and not staying in touch. I will pray that God will comfort you and bring you peace. God is indeed the healer and the light. God bless you all.

“ Dear Crocketts, My heart aches for all of you! I am far away working right now, but praying for God's promise of comfort to embrace you all. I had prayed for Margaret's healing, but I guess God had a need for a special angel. Out of your hands and into His arms.... Bless you and know that you are so loved! Susan Duff

“I'll lend you for a little while, a child of mine" he said, "for you to love the while they live and mourn for when they're dead. It may be six or seven years, or twenty two or three, but will you till I call them back, take care of them for me? They'll bring their charms to gladden you, and should their stay be brief, you'll have their lovely memories as solace to your grief." Dear Bill, Shirley, David and Nina, I am so very sorry to hear about Margaret. I loved her dearly and always wanted to be like her when I was a little girl. I will always cherish our memories of our times at Claytor Lake. We all had such fun times together. Now she is with Billy and her grandparents watching over all of us. I love you all very much.
