“ I worked with Thurman at Bluefield Hardware and my brother Wendell took pictures of Peggy when she was 8 years old. She was my neighbor when she lived on the corner of Perl and Wythe and also my neighbor across the street on Grandview. We are so sorry for your loss in her passing. She left good memories.

David, Sam, Jeff and Sue,

Pat and I just heard about your mom. We lost Pat's dad last week, so we know what you're going through. I have fond memories of your mom from the church, Claytor Lake and the beach. I don't think I ever saw her when she didn't have a smile on her face. Your mom and dad were both fun and a healthy influence on all of us growing up at the church. Sam, I still remember trading you a VW for a car stereo from the Hardware. (Given the Bug's condition, I think I got the better end of the deal.)

Although we hadn't seen your mom in years, we've tried to keep up with the remaining "pallbearers" through Mrs. Bailey and Mrs. Carroll. As they say, she's in a better place now. You're all in our thoughts and prayers.

Dear David, Sam, Jeff, and Sue, I was very sorry to hear about your mom... your parents were such good friends with ours and there were so many wonderful times shared by our families. They were the original "pallbearers" from church !!!! Your mom was one of mom's very best friends and during mom's last few months Peggy would call her and cheer her up instantly....they probably were recalling some of the adventures shared by their boys Sue and I were the angels but all those boys together ...watch out !!! So many wonderful memories !!! I hope they will comfort you now. We send you much love and many prayers, Susan Lockhart Edwards
