

## Margie Cynthia Elizabeth Clifton Johnson

October 29, 1952 - September 6, 2022

My mother, Margie Cynthia Elizabeth Clifton Johnson, was born on October 29th, 1952 to my grandparents, the late Libbe Clifton Owens and Osmond Y. Clifton. “Tiny” (as she was affectionately known by her family), as well her younger brother, my uncle, the late Osmond Jr., split their formative and educational years between Manhattan and Brooklyn. As an adult, she also split her professional years between Manhattan and Brooklyn working at The New York-Presbyterian Hospital, as well as St. Anthony - St. Alphonsus School.

It was in 1973 when she married my father, the late Percy L. Johnson; a union that would last 37 years. Within this union, they gave birth to their only son, whom they raised in Brooklyn in a home filled with immense, unmeasurable, and unconditional love, support, and music; another one of the great loves of my mother’s life. As their proud son, there will never be the appropriate words or sentiments to capture my mother’s essence, nor will there be the appropriate words to express my gratitude for the life, sacrifice, guidance, and lessons my parents provided to me.

Nonetheless, I will be forever grateful for the precious experiences, adventures, and memories I will always be able to cherish and, in time, draw comfort from for the rest of my years.

Throughout our lives, we personally have been blessed to share relationships

with many we have been incredibly lucky to have as our family; through blood as well as through love. As we all are experiencing the shocking void my dearest, beloved mother's sudden passing on September 6, 2022 has created, please know that as much as you all loved her, she loved you all as well, and now as our Angel, she will forever be with us while we share in cherishing her memory.

A memorial service will be held on Saturday October 1, 2022 at Sacred Heart Catholic Church at 11:00 a.m.
