“ *Thank You Lord the light of Jesus that radiated from Marjorie. Meeting the Hartery family has been one of my greatest blessings. I love them as if we were family. The torch to carry the love of Jesus has now been passed from Marjorie to any of her family that will be willing carry the light! With Love, Emil and the Marugg Family.*

“ *I have attended ERC church with Marjorie for a number of years. I loved her sweet spirit and adorable smile. Before her health started declining she served the church faithfully, it was her task to oversee all the “Sunday School” teachers and volunteers (in what capacity I don’t really remember, but)...nevertheless at Christmas she was to make sure all were thanked for their service. She made everyone out a Christmas card, thoughtfully thanking us, but she added a little “extra” to each one. I’m not positive, but I think she did that “extra” all on her own. I’ll never forget her. She’s one of those “go an extra mile” with you people.? I look forward to seeing her again in Heaven totally healed and happy! To the family, “Thank you for sharing your wonderful mother with us”.*

“ We got to know Marjorie when she bought the house at Lovelane St ., as she was moving here from Florida. The VFW 9696 had sold it to her. She then joined the Auxiliary to Post 9696. She held the position of Treasurer at one time. She was such a gracious lady and so congenial. We had not seen her for awhile but she is a lady that has always held a special place in our hearts... prayers and love to her family at this time.

“ Grams was one of this world’s most extraordinary people. She touched lives with gentleness and dignity. She will be missed but she will always live in our hearts and memories. She was the gift that God blessed family and friends alike with. I will love her and cherish her for the rest of my days. Heaven gained a beautiful angel, and as one of her favorite hymn says, “I’ll fly away”, so she did fly away...right into the arms of Jesus.
