I told him yes yes!!! Mine, Mine... You’re my best friend and will always be my

#1 husband. I will always love you MINE, MINE!!!

Jackie is now rejoicing and dancing in heaven with his mother.

“ *I met Jackie and his sweet wife when I was a manager at the Dollar Tree and I had just got granted the position and he told me thats where God wanted me to be at that time and that I was going to continue to be Blessed (which I have) and that he seen a lot of potential in me which made me really happy considering the day I was having! I then got on the conversation with him for some odd reason about tattoos and him and his wife showed me a few he had done on her and he gave me their facebook page which im still on! When I read of his passing on fb it hurt my heart for his wife because you can see in her eyes now much she loved that man and he loved her, She will be in my prayers along with the rest of the family, and I will never forget this family and how nice and caring they were! With deepest condolences, Vernon and Ella Rose!*
