“ *Sending love to all of you. So many memories from spending the night, Christmas visits, getting in trouble for throwing snowballs at cars and of course Fincastle. We truly had a fun childhood. If there is anything I can do let me know. Regardless of the distance and time apart, you all are always in my heart.*

“ *Trey, Susan, Sara, and families,
So sorry to hear about your mother. I always remember her being
happy and smiling while growing up in Bluefield. I lost my mother
about 5 years ago, and it is one of the toughest things in life to go
through. You and your families will be in my thoughts and prayers.*
