“ I am so sorry to hear of your loss of your mother. She was a nice, kind and sweet lady and I always enjoyed the visits to her home as she made everyone feel welcome and loved. I know that words can never give the comfort that you need in your time of sorrow but know that I am praying for the Lord to help each and every one of you with your grief. The loss of a parent is something that we are never prepared for but you have wonderful memories of the years that you all shared as a family. May God Bless each and every one of you daily. Love you all.

“ Growing up on 208 Memorial Ave I couldn't have asked for better neighbors. Mary was always there for my brothers and I and I am heartbroken to hear of her passing. I have nothing but wonderful memories of her being around the house and helping my mother raise us four boys. She will be missed and I will always remember her as an influential part of my childhood.

“ So sorry to hear of Mary's death. She rode to work with me when we were young. She worked for Corey Candy Co. and I worked at the Telephone Company. Her Mother made the best pastries and she would share them with me. She was a very caring person and I shall always cherish our friendship
