“ *To: Ms Williams; Am sorry to hear of this and send my condolences to you and other family members. I, also, had no ideal of your son, Gary, of no longer being here as well. I use to kid him in school about him and Kat being twins. He would just say "Now come on! A few years difference." You had two of the nicest people who were here in our presence and I must say I enjoyed meeting them and haveing them around. Just wished I had known of Gary's passing. May the good Lord be with you during this moment and forever.*
