“ *Dear Margaret and Richard I am so sorry for your Mother's passing. In the past few years I would see her in Food City grocery store and I would speak with her. She would always ask about my family and have something nice to say. My mother would stay in touch with Lucille until her death last June. With Lucille's death, in my mind, the last vestiges of the Mahood Architectual Firm is now gone. We will miss them all. John Mahood*

“ *Margaret and Richard, Sending our condolences. I remember her as always friendly and seems like there was always a fresh homemade cookie to be had.*
