“ *I've known Matt for about 11 years now... maybe 12 or more. Matt was a life within a life. He had a great sense of humor. He loved his mom Cathy very much. He stayed by his mother. Matthew and I turned a friendship into a brother's bond. Life threw us in different directions at times, but we always had that connection. I felt that sometimes Matthew was misunderstood as I am or was, but together we was understood by each other. It's sad to see a friend and brother pass away so soon. He will be missed. I love you Matt more than you may know, brother. To Cathy and Samantha... I'm so sorry for your loss... Cathy you was a great mother that Matth could have asked for. Your a great woman and I know Matt hated to leave you for now, but know he will be waiting for you.*
