“ *Dear Jack and Family,
I am greatly saddened by the loss of your son, Matthew Shane Martin. What a handsome young man. He looks so much like you, Mr. Martin. You were my first principal long ago when I first started teaching at Princeton Jr. High. You were truly a GREAT principal and I learned so much from you. Your son has achieved so much in life -- just like his dad -- a man of great leadership and a family man. Shane is just too young to die but when this happens, I always say, "God, needed this angel in heaven to help lead the other angels." My God heal the wounds of loss that you feel, Mr. Martin. We all will be reunited with our loved ones and that helps us go on in this life here until we achieve that heavenly realm.
MAY GOD BLESS YOU, MR. MARTIN. You wee always one of the best principals in Mercer County.

“ Jack and Barbara I am sorry to hear this news. When I first heard, childhood memories on Circle Drive started coming back. From basketball in the driveway, to a game of wiffle ball in the yard and catching the bus every morning we spent a lot of time together. As life happened we grew apart but his name came up often when talking with mom and dad. I know you are proud of the man he became. He will be missed by many but never forgotten.
