“ This man was One of the best friends I ever had , like a brother to my entire family I cannot express the loss , We were once business partners and worked together many many days while in business and any family projects on everyone's home that needed his help he was always there with a smile and the latest joke he had to tell . I know you are in a better place and that's the only comfort we all can find , knowing Gods peace and knowing your are surrounded by all the ones that went on before you that loved you dearly My Mom and Dad and My Sister and Brother as well as all your blood family that went on to Gods throne before you .I can only Imagine your welcome celebration when you see Gods face and all your loved ones . Go Rest High On That Mountain my friend until we meet again on that Golden Shore where you can tell me the latest joke . Love You My Brother .
