“ Met Mike through a mutual friend years ago, but have not seen him the last couple of years during his courageous battle. I'll always remember him as a guy you just couldn't help but like. His big smile and loud laugh will be always embedded in our minds. Someone once said of him, "If he likes you he'll do anything for you!" That's probably the most true and best way to remember this fine man young man who was taken from his family and friends way too soon! Take solace that he is no longer suffering and is in a better; a place we can't even imagine. Rest in Peace my friend

“ I'm so sorry for your loss. Mike and I started at Ramsey together and lost touch for a few years but ended up working at Joy together.
