“ *I love you all very much. I am keeping all of you in my prayers. My heart is breaking right now. All my childhood memories include Michael and they are some of the best memories any one could ever ask for. He was my super hero growing up, of course I'm sure that you guys know that...All the nicknames he gave me and the constant picking we did as kids, I wouldnt trade for the world. I am so proud of the man he grew up to be and the wonderful father he became. I long for the old times when we would all spend Christmas together year after year as a family. Those memories will be forever cherished in my heart. Its sad how time seems to pass us all by when we aren't looking. I know that Michael will be watching out for all of us from heaven with mamaw and papaw by his side. Michael, I love you and will hold you in my heart and memories for always  
Love your cousin,  
Poodle Ray ;)*

*My heartfelt love and prayers go out to you and all your family. It was a pleasure working with Michael at PCA! He will never know how many lives he touch, I feel so blessed to have known him...and will never forget him! I always enjoyed hearing him talk about his family... he was such a proud son, husband, and daddy to his little (mini-me) Gabriel. He will be missed by many but never forgotten. May God be with you and know that Michael is with his heavenly Father till you see him again.....*

*God saw you getting tired,  
When a cure was not to be.  
So He wrapped his arms around you,  
and whispered, "Come to me".  
You didn't deserve what you went through,  
So He gave you rest.  
God's garden must be beautiful,  
He only takes the best  
And when I saw you sleeping,  
So peaceful and free from pain  
I could not wish you back  
To suffer that again.*

“ *Just want to share my most outstanding memory of Michael. I can't stop thinking of how, when he was little, how he loved tearing the Isbels off our cans, and watching them fly in the air over the furnace vent. We had to write on all the cans, so we knew what we had! We'll miss you, Michael. Love from Debbie, Geneva. Robert, and Heather*
