“ *Bill, Ginger, Kim, Bryce and the entire family. I am so very sorry for your loss, but as you know there is comfort in knowing she's in a much better place and not suffering anymore. My love, heart, and prayers are with you all. Sorry I couldn't make it to be with you last night and today. We are in revival and last night was youth night, I was in charge of drinks. Today I was committed to taking a friend to her doctors appointment. But do know my heart was with you all. If there is anything at all I can do, please let me know.*
