“ We were so sorry to hear of Nada's passing. David's mom called to let us know. We loved her so very much and she was such a loving and special person. Lots of good memories. Fun camping trips, just hanging out, eating together, and lots of laughs together! We considered her part of our family and will miss NaNa. We love you too Karl and Lou and even though miles separate us now we think of you so very often and hope you will keep in touch and call us. We would love to be there with you to celebrate her life that was so well lived. We will be there with you in spirit. We pray that God will comfort you and give you peace that passes all understanding.

Love, peace, and blessings,

David and Hope Browning
