“ *I'm very saddened to hear of Nancy's passing. We lived on the same street - Pilot Ave - and were classmates from the 3rd grade through high school. She was always very kind as were Mr. and Mrs. Bethea. I was their paperboy when I was a kid. The Bethea house is still one of the more attractive ones on the street.*

“ *Wish I could go to Nancy's funeral. Haven't seen her in years and was hoping she would be at our reunion last year. She was one of my best friends in high school and we had some great times together. I know all of you will miss her greatly. Carolyn "Pruitt" Harris*

“ *Nancy and I were friends since the 8th grade in school. We had so much fun growing up together; slumber parties, double dating, water skiing, and just sharing life together. Although I didn't see her much in the last years, I will always treasure her memory. I am so sorry for your loss of a special person.*
