“ *Nancy was a dear friend to me when I attended the same parish church in Bluefield, WV. She and I worked at the same location in downtown Bluefield for a while. I would walk down the hall to say hello to her as often as possible while working for Judge John McGhee in his law office. Nancy could only be described as a "classy" lady. She was a kind and loving friend and very loyal to her faith. She had a love and concern for all people and showed that in the way she presented herself to people. She will always remain in my memories as a loyal friend with a quick sense of humor. She will be missed by many people. May her soul and the souls of all the faithful departed through the mercy of God rest in peace. Amen.*
