“ *Aunt Margret was a very special woman. She was the patriarch of the Kelly family. Nancy was a dear sister to her brother Frank, whom he loved to spend time with in person on their annual visits and she brought joy into his life on their phone calls every weekend. She was a great influence to me and my spiritual life at a very early age. She was a dear aunt to Jimmy and Ann and loved and cared for us very much as if she was in the same room even though we were always many miles away. She blessed so many, was so full of love, care and compassion. Thank God for giving here to all of us, may she be rest now that her work is done on earth. God Bless. Amen*
