

Norma Jean Bailey

August 21, 1962 - March 27, 2023

Norma Jean Bailey, born on August 21, 1962, went to heaven to join her loving parents, Jim and Barbara Bailey on March 27, 2023.

Norma had many names to those who knew and loved her, Norma Jean, Nunnie, Cissy and Sis. "Nunnie" as her nephew and nieces called her, never met a stranger. She loved people and she always had a smile on her face and kind words to say about and to everyone. She was thoughtful and would give the shirt off her back if someone needed it.

Norma graduated from Bluefield High School in 1980 and moved to Charlotte for many years working in the finance department of a large automobile dealership. She later had a calling to move back home to care for her mother. Over the last several years Norma's health declined and made it hard to care for herself, much less anyone else. But she put forth every effort to continue on till it just got too much for her.

Norma is survived by her brother, Jim Bailey (Cathy) of Bluefield, her sister, Kim Croy (Brian) of Summersville, SC. Her nieces and nephew: Jennie Bailey, Claire Bailey, Brandon Croy (Ashley) and Alexie Croy. Also her great nephew, Axel Croy. She had special friends, Linda Vi (Lovely) Wilson, and Jane Monaco that she loved dearly. Her family was the center of her world, she loved them fiercely. She was loyal to her friends and family always.

In her pastime she loved gardening. She was known to have a green thumb when it came to flowers. She particularly liked roses and grew many varieties and shared with her family, friends and neighbors. Norma loved sending

greeting cards when friends and loved ones needed an encouraging word. She always brought sunshine in her words.

Norma will be loved and missed by all of her family and friends. However, her sunshine will carry on through her love of flowers. So, if you see a beautiful rose, think of her, and the love she had for everyone. RIP Nunnie.

“ *Kim, Jim, and families,*
I met Norma when I was 12, and we were very good friends all thru our school years. We graduated together in 1980, but lost touch over the years. I have a lot of great memories growing up in Bluefield with Norma. She was always happy, joking around, and always a blast to be around! My thoughts and prayers go out to all the family.

“ I would like to remember Norma as the friendly person I met at our produce market years ago. She was always friendly n up beat. Looking for rose bushes of all colors and loved to smell them. And she was always buying half runner green beans for her mother and to mail to her sister Kim. She always thought of others. I’m sure Norma had bad days as we all do but I choose to remember the Norma Bailey that I met and knew. Peace to NORMA and I’m glad she’s home with her family that was waiting for her. God bless her.

“ Kim, Jim, Cathy, and all the family. I am so sorry for your loss. Such a great tribute to her life, love for family, and your love for her. My fond memories of Norma go all the way back to when she was in the 6th grade. She had such an infectious laugh and was always so kind and fun to be around. You all continue to be in my prayers as you mourn her loss, yet celebrate her life.
