“ Gary and Susan, Pat helped me get through a not-so-smooth part of my life when she hired me at the Job Service in Welch, to which I will always have deep gratitude for. The bonus was getting to work for and with her and learn her special way of how to handle people and situations. Gary, both your mom and dad were special people who always "treated me better than I deserved". God bless you and your family on your time of loss. Norman Hawks, Dublin, VA

“ Pat was always full of great stories of her past years in Gary WV. We would sit and she loved to talk about her mother and father and her husband Bill when she was younger.
