“ *I was saddened to hear of Pat's death. I graduated with Pat in 1956 from Beaver High. I would like to extend my sympathy to her husband, children and grandchildren. May God bless each of you.*

“ *Bill and family, I am so sorry for your loss. I remember getting to spend time with you and Patty and kids when you lived in the Dallas area. Bill was the first person to take me and my folks to an El Chico restaurant and introduce us all to jalapeno peppers! Patty was so kind and loving to me during the horrible "thirteens." I recently got to view some old pictures of her when I visited Nancy and Vici in Florida. They were at Grandma and Grandpa Terry's old place. She looked so sassy and happy in those photos. What a beautiful and kind hearted lady. She will be missed and remembered with great fondness.*

“ I was so sorry to hear of the death of my cousin Patty. For her immediate family, i am so sorry for your loss. I have this visual image of part of her welcome to Heaven. I see a great big party of family and friends that have gone to Heaven before her. It reminds me of holidays at Grandma Ruby's and Daddy John's where we talked (one of Patty's favorite things!), ate, laughed and felt a great deal of happiness. With love to the family, Nancy Gay

“ It brings me great sadness to lose a great cousin. Patty was also my friend, and she made growing up more fun. I love you all and miss you, and will look forward to seeing you during a future visit to the area.
