“ *Pat, may you rest in eternal peace where there is no more pain or sorrow! You and your family were good neighbors many years. And I know after my father died you kept up with my Mom. I thank you for being a caring, kind, and fun person. Yes, I say "fun" because one of your special traits was your sense of humour. Memory Eternal!*

Follow up: Note to Peggy, my heartfelt sympathy for your losses of your beloved spouse, Ben, & your dear sister Pat. I wanted to attend Pat's graveside service, but had medical appointment. Glad there was a service. There were a few in attendance.
