“ I want to extend my deepest sympathies to the family for the loss of your wife, mother, and grandmother. Peggy was one in a million and I will NEVER forget her. I truly loved her. Seems like I had known her forever although we didn't see each other often. She was so funny and loving and I thoroughly enjoyed being around her. I'm so sorry that I wasn't able to attend her viewing and funeral. I would have given anything to be there to pay my respects. I've been dealing with health issues recently myself and traveling wasn't allowed. Please know I wanted to be there. Peggy and Clyde were always there for us and our family. She is in my prayers as are you and your family. I take comfort in knowing that she is with a lot of friends and family who loved her dearly. Love be with you and comfort knowing she is in a better place. Sherry Cunningham

“ Sorry to hear about Peggy, I was a part of her bowling "fantastic four" team for many years. She was a wonderful person, always making us laugh. My favorite memory is her telling us how she used to clean the rooms you would stay in at Myrtle Beach the entire time you were supposed to be on vacation. She was a beautiful, fun person and her smile was contagious.

“ Dear Clyde, Penny and Brian, I am so saddened to learn of Peggy's death. My heart is breaking knowing she is gone. But it does comfort me to know she is with our Grandmother, my Mother and their sister, Hazel. Typical sisters ~ always loving and laughing. She and Clyde had such a positive influence on my formative years. Peggy was such a loving and caring aunt and I have always treasured the weekends and summers I spent with them in Welch and later Coalwood ~ the pool outings, all those Saturday nights at the Starland, playing cards and board games on weekends, how she made the house rock when she played the piano, shopping trips. And she always allowed me to "help" when she cooked and canned. I remember stringing beans for canning until I thought my fingers would bleed. Because Mother and Daddy had five children, one could often get lost in the shuffle. But my weekends and summers with Peggy and Clyde were all about me. And I will always value that. I loved her very much. Please know that all of you are in our thoughts and prayers. And may you find peace knowing Peggy is with her parents and siblings. Love, Donna and John

“ We were so sorry to hear about Aunt Peggy. Uncle Clyde, Penny, and Brian and Families: This picture is so good of her, she and Della looked so much alike. We didn't realize that she had been in poor health. Our love and prayers are with each and everyone of you during this time and always. They say that time heals, but I believe that it never heals we just learn to deal with the scars. Love and Prayers, Danny and Missy
