“ Philip was a good friend to me and always watched out for me. He was wonderful to my mom and made her the happiest that I've seen her in a long time. GOD rest is soul and my deepest sympathy for the family. We all miss him greatly.

“ I only knew Phil for a short period of time in which he was in the life of one of my dearest friends, Susan, but I do know how truly much they loved each other and how happy he made Susan during their short time together. He was truly blessed to have Susan with him for the last portion of his life and I'm sure his family and especially the grandbabies will miss him dearly, especially once they come of age to realize how truly amazing he was. My prayers will be with the entire family during these difficult days ahead. Remember the love and laughter.
