“ *In Memory of Phillip To the outside world, we all grow old. But, not to brothers and sisters. We know each other as we always were. We know each other’s hearts. We share private family jokes. We remember family feuds and secrets, family griefs and joys. We live outside the touch of time. You are my inspiration, one of my closest ties to “the ties that bind”, my brother, my mentor and my friend. You have a special place in my heart. I thank God for you. I will see you, when the morning comes. I love you. Sharen You are so precious to me.*
