“ *Sister Ann and brother Rudy we're such wonderful friends of ours. They were so excited when Danny and I met each other, got engaged, then married. They both gave us good advice on the married life. They rejoiced when we had our two babies. They even helped us get our first down payment on a home by purchasing some hunting guns and cabinet from us. Mrs. Chappell spoke lovingly of her childhood playtime on the hills of my great great grandfather Abner Birchfield's farm in Raleigh County, WV. My dad is named after her "Uncle Ab, as we kids called him". She and I were delighted to discover our common thread. Rest in Jesus, sweet Ann. Love, Debbie and Dan Goodwin*

“ Carolyn and family,  
My thoughts and prayers are with you at this difficult time. I remember so vividly when we all met at Granny Cole's for Sunday dinners. Uncle Rudy and Aunt Anne would bring you to play with all us cousins. My Mom loved Aunt Ann.  
What a wonderful Life she lived.

*My Grandmother...one of the greatest blessings of my life. How blessed was I for God to pick me for her. Her unconditional love and deep abiding faith molded so much of my life. I know you're leading the great cloud of witnesses cheering us on until we are reunited. I will miss you every minute until that time.*
