“ *Sherry, it has been years since I have seen you. But last week I was thinking about you and Friday, August 21 when I woke up you were on my mind. That is strange since I have not had any contact with you over the years, not since our high school and Hill's Dept. Store days. I guess it was a "God thing" that you were on my mind on that particular morning. Then I read about the loss of your Dad. I am sorry for your loss and wanted you to know that I have been thinking and praying for you during this time. May you especially feel God's love and comfort.*
