“ *Rhonda and I became friends while attending Fairview Jr High School. She actually introduced me to my husband Charlie Edwards of 48 years now. In my mind she is the reason I got to have two wonderful sons and two beautiful grandchildren. She is no longer suffering and will be in a much better place. She will never be forgotten. Sending much love, hugs, and prayers to the family. Forever friend

“ My thoughts and prayers go out to Scott and Kari. Rhonda was a loving and kind soul. I will forever cherish my memories of her and how she was always making away to take care of my boys when they were little. And I will never forget how she would ride the bus all the way to Powell Mountain every week just so that my youngest son could go to Princeton Primary School. She was a super sweet lady and I will always remember how she could light up a room with just her smile. RIP my dear sweet friend, until we meet again on the golden shores of heaven.

“ *Scott, Kari, Phyllis, Mike and Dreama and extended family. My heart is breaking for this great loss. Rhonda and I were always so close when we were in school and continued to be throughout the years. There are so many good memories from Fairview, Beaver, White Kitchen, her house, my house and even at Scott's house. I can't remember ever seeing her sad. She always loved her family and friends and the special times spent together. Rhonda will always be in my heart because of our friendship and the good times we had. Wonderful memories. Loving thoughts and prayers*
