Dick was my second cousin. My family moved to Canada when I was a child so I only saw him and his brother Bobby on our summer trips to Bluefield. I remember him as a sweet kid. We lost touch over the years but reconnected a few years ago at the family reunions my brother Doug hosted. He remained the sweet kind hearted guy of my memories. I wish I had had more time with him but we did have a few enjoyable phone conversations for which I'm grateful. You will be missed Dick.

“ I went to high school with Dicky and remember him fondly. He always had a great smile and wit. We were never really close, but I believe we had mutual respect for each other. It was nice to see that he was a cat lover as I am. RIP

Love and care to family and friends. Larry Tolbert
