“ *As a child growing up Doug and I, and Bob, Betty, and Mike were together almost every day, and how Mrs. Bennett ever put up with us is I'll never know. This family was an unforgettable part of my life.*

That is funny Gary! My dad (James Godsey) his brother Bo (Dr. Ralph Godsey) grew up with the Bennett family. They went thru school together until they went to the service in World War II. I grew up the street from them also and you Gary and Doug. Mike, Bob and Betty were always around as we frequently played in the church lot. We had a wonderful childhood in those years. Montclair, College Ave. and Augusta street kids we had fun and these were good memories from long ago! My dad frequently played golf with Bob and talked to him on the phone. We will truly miss him. Our condolences to the Bennett family.
