“ *Mrs. Stroupe and Family: So sorry to read of Mr. Stroupe's passing. I lived in Brushfork and was at the station there many times a month. I know there was no better person and businessman than Mr. Stroupe. He was always so kind and worked on my cars anytime. You both have been missed since you closed your business. Not only were you both honest and hard-working, you were a wonderful couple to know. My thoughts and prayers will be with you in the days ahead.*

“ *Sorry to hear of the passing of "Bobby" Stroupe, as I called him, growing up in Havaco, WV. He was my Uncle, James Walter Stroupe's great nephew. James Walter Stroupe, J.W. as he was known, was my Uncle, whom raised me, after my birth mother passed away, when I was 10 days old. As I remember Bobby, he was always very friendly, and a really great individual to be around. Remember his Mother, Father and Brother as well also. A wonderful family.*

“ Hello Sue,
I was so saddened to see that Bob had died. He gave me my first real job at the Kimball Amoco station. He was my friend and I'll miss him. We had so many good times at the station. My mother Ellen's mom was a Stroupe from the same little place in Havaco, WV where Bob's mom and dad lived. We were some how related- just a bit.

Sue, I just saw the obituary this afternoon and I wish that I could go home to WV and attend his services. I'm now in Baton Rouge, Louisiana and it's a 14 hour drive to Princeton. I'm sure I'll see him in Heaven though.

You and your family are in my prayers.

“ I hadn't seen Bobby for many years. The last time was at his station in Kimball. I have many memories of him as a kid and will keep him and the family in my prayers. He is the last of the Stroupes as I knew them growing up. I pray the family will keep his legacy intact. My dad Rus was Bobby's mom's brother and the fond memories of them will always be with me.
