A soft spoken, compassionate, gentle man, Bob worked tirelessly to make life better for others. His vast handprint of talent and care is seen in the beautiful buildings he built, organizations, and people whose lives he touched. His love of street rods and the many he built with his own hands led him to found East River Street Rods of Bluefield WV, an organization he led to work for the better of the community. Volunteering his time, talent and treasure for many organizations, the highlight of every year for him was volunteering for the Little Jimmie Christmas Tree.

“ *So sorry to here of Bob's passing he was a big part of my life growing up. Bob and my mother went to school together where he married her sister. Bob was a wonderful caring and compassionate man. He assisted me with many of my school projects growing up especially the ones that needed to be drawn. I could always count on Uncle Bobby to help me out. My heart goes out to the family for this is a great loss. Praying for GOD's comfort and peace for you.*

“ Sheila and family, my most sincere and deepest condolences. Nothing but fond memories surrounding the entire Farley family. Bobby was always warm and welcoming especially with that mischievous grin and deep blue eyes... he was always one of the good guys and we will miss him much. May God assuage your anguish and fill your hearts and minds with the happiness and joy of Bobby's life. Love and prayers to you.

“ My condolences to the Farley family. I first met Bob on a job when I worked for Wayne P. Lockhart, Inc.. Never heard anything but compliments from Bob on the acoustical ceilings I was installing on the job. May have lost his presence but his memory will remain for a long time to come. Glad to have Bob as my friend.
