“ *I will never forget all the laughs I had with Rob and the young love we shared. He was a genuinely kindhearted person. He would do anything for those he loved most. I will never forget all the 90s music and shows we used to watch on YouTube. Or his "white boy" dance moves... We had ups & downs and even though we were kids 10 years ago, we shared a lot of memories together that I will cherish forever. My thoughts and prayers for Diana, Alicia, & family. He loved you all more than you'll ever know and I know this world will be forever changed without Rob here. May God comfort you & bring you peace.*
