“ My Dad will be missed for sure by all who loved him. And he was a great Father and friend to me. He was always there to lend a hand or give advice when asked. I could have wanted a better Dad than he was to me and my brothers. 😊

*“ To: Marty and family,
My condolences to you and the family during this time. I had met you Dad back in '78 when I had to pick an item up from Mustard Equipment located there in Bluefield. Never did I even think of the relationship when I had seen you at your job but he was an individual who loved his family and work. May God's Word bring comfort to each member at this time and his experience shine for each of you. R.I.P. Mr. Mustard.*
