ME

“ So sorry for your loss...

In the bible Job asked, "If a man dies can he live again?" (Job 14:14). Jesus answered this when he said ... "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life (John 11:25)

Yes, we can put our trust in the bible promises of seeing our loved ones again. But when we see them they will be young and healthy. May Jehovah God comfort you through these difficult times.
