“ *My heart goes out to Reed's family. Reed and I were truly connected by the inner spirt that one sees with the eye of the soul. Reed deepened my faith that God is alive and well within us. I have learned so much from knowing Reed. I am so happy that our lives intersected in such a strange series of events, they were no accident! I am so grateful for all of the memories i have of the times that we spent together over the years. He was such a Godsend the during the times that i stayed at his house while I was driving over-the-road. It was like having a home in Charlotte! Please know that you are not alone in the sadness of his passing, the fondness of his memories, and the wonderment of seeing him again! Much Love, Todd*

“ To the family of Reed Sanders, My deepest condolences go out to you. You are in my prayers. I have known Reed since 1999 and will miss him very much. He went the extra mile to help others, especially young people throughout the entire Southeast who needed help, patience, guidance, and suggestions. He gave a lot of his time and energy to others and was very much respected and loved. Reed found the subtle humor in situations. He stood on principle and saw through bull. He was a good and fair leader, teacher, and example over years and years of volunteer service through which he persevered. He respected, tolerated, and loved people - even those whose opinions and behaviors didn't match his at all. At the end of the day he was your friend. Not only that, he was a very good friend who always wanted to see you at the next gathering and might even convince you to drop what you are doing and show up - sometimes offering to pay your way. He asked little of others. Yet, Reed showed up for people, even when it meant driving 5 hours each way multiple times. His smile, his laugh, and his big heart will always be remembered. Reed held out hope for people and loved to see a lightbulb go off for someone who was working on making their life better. Reed let you know you were valued and supported in his own unique, appropriately persistent, and spirited way just when you needed to know someone cared and understood. May you be comforted by your memories of Reed and may he rest in peace. Sincerely, Sally Corbett
