“ *To the family....ruby not only was my classmate but a dear friend. It saddened me to hear of her passing so i send my sincere condolences and prayers to you all. I will never forget the funny moments we had...but my heart truly hurts with you all. She was a fun person to be around, and had a good heart. I will miss getting to see her. I know it will be hard, so look to God to see you through, for He's the one that heals all hurts.*

Sincerely, Larresa Thompson Burress

“ God looked around his garden
And He found an empty place.
He then looked down upon this earth,
And saw your tired face.

He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best.

He knew that you were suffering
He knew you were in pain
He knew that you would never
Get well on earth again.

He saw that the road was getting rough.
And the hills are hard to climb,
So He closed your weary eyelids
And whispered "Peace be thine".

It broke our hearts to lose you
But you didn't go alone
For part of us went with you
That day that God called you home

Please accept my deepest sympathies
