“ *I will never forget Russ and what an awesome guy he was. He worked for my dad at Brown's Kar Kare and gave his all in everything he did. He had a sweet, wonderful, and forgiving personality. My sister, Sheena, and I had so much fun working with him and he made our days at the garage so much fun. We would always have races and contests to see who could get to the full serve pump first, we had a piggy bank that we kept to put our tips in that were used just for pizza and snacks, mainly moon pies. :) There was never a day that ol' Russ (as we called him) would not be smiling and if he was having a bad day, we knew it couldn't be for long and we would make sure we did what we could to put that smile back on his face. Russell was hard working and such a blessing to have in my life. He was part of our family. He watched me grow and helped me through many trials alongside my mom and dad. His love for Susie was unconditional and so full of life and her's the same for him. I am praying for you, Susie, and the family. Praying that God will give you the strength to make it through until the day He calls us home and we are greeted with Russell's smile once again. I'm sorry I cannot be there tonight to celebrate the life of Russell, but I am with you in thought and prayer. ----Love, Nina*
