“ *Sam little did we know that this past week God would call your name. In life we loved you dearly Jennifer, Laurel, Jordin and I. In death we do the same. It has broken our hearts to lose you, but you didn't go alone for part of us went with you the day God called you home. You left us peaceful memories, like the day we first met at the hotel near the bowling alley that night I'll never forget. And though I cannot see you , you'll always be in our hearts. Our family chain is forever broken and nothing seems the same but God calls us one by one the chain will link again!! Your loving Son in-law
