“ To Sandy's family; Sandy was a great friend of my sister and brother, Fran and Bob Patton, and she made me feel like one of the gang even though I was younger. She never made any differences with anyone and treated every person equally. I loved her so much and her spirit will remain with me/us until we see her in Heaven! I know you will miss her but she is not dead, SHE'S LIVING in Heaven waiting for the rest of her family. Until then remember all the great times you had and that will take away the sorrow. God Bless you! Nancy
