“ *I worked with her at the BDT many years ago. She was always very good to me and when I moved away from Bluefield, we lost contact with each other. I was recently informed of her passing, and was deeply saddened. I wish we could have met one more time. I will always have fond memories of her. Rest in peace.*

“ Thoughts & prayers goes out to Scalett's family. We worked together for a great many years. No matter what type of day it had been- she always had a smile on her face and would have you laughing at something she said. I will miss your crazy personality and your laughter. Terri P.
