“ Awe so sorry to hear about my great aunt. when she would come to visit my grandmother, she would always bring me something. She bought me a jewelry box when I was 16 that I still own that is so beautiful just like her inside and out, that I will cherish the rest of my life and will hand down to my daughter as well. My sympathy and condolences goes out to her family and friends...May you rest with peace...Your great-niece Kayla Bishop Shumate
