“ *Shirley will always be a hero for those who knew and loved her. She exemplified strength, honesty and loyalty throughout the many decades I knew her. She and Billy taught me the best parts of friendship and gave me countless reasons to laugh and enjoy life in many memorable ways. I can never forget a single moment we spent together in her home, on cruises and the best times ever at the Elks. I will miss her smiles just as I remember the incredible team she and Billy shared with all who were fortunate to know and love them.*

“ I am so happy that Shirley became a part of my life. I have great memories of her on cruises, parties and as coworkers. She became my best friend. She is now reunited with her youngest son, Billy whom passed away in December 2019. I will cherish all the memories that we all had. I will miss you so much. Until we meet again my dear friend. I love you!
